

## Make-Up Class Policies

If you need to make up a class due to an absence, below is the list of classes and educators at all three locations.

You are allowed 3 makeup classes (two if you are in a *Village* Mini 7-week Session) per semester, preferably at your own location.\* There will be NO make-up classes on the last day of each session.

If your child is between 6 months and 6 years, you may also do a make-up at the Monday **\*\*Family Time** class in Des Peres between 2/27 and 4/30. This class is for all ages, and is lots of fun with familiar tunes. Space is limited, however, only one make-up student allowed per week, at the discretion of the teacher.

Please *contact the educator* whose class you would like to attend and confirm with her that there is indeed class that day, and that there is room in the class that day. If the class you prefer to make-up is unavailable, the educator will help find another time that works for you.

*(Imagine That! families, please note: it is difficult to do make-up classes for Imagine That students at another location, due to the home activities that are given out or brought back. Each location has items that belong to their own students, and may not be on the same lesson schedule as your class. Plus the students are familiar with their own teacher and children in their class. However, we do allow it.)*

**\*\*Family Time** may be attended as a make-up for all age children, if the class of your choice is not available, with RSVP. Only one child per week.
